DOUBLE TENSIONS

STYLE:

A rectangular shaped flag banner that has been designed to maximise your branding.

BENEFITS:

Brilliant print quality

Weather resistant

High wind load

Top and bottom tension maintained, preventing flag wrapping around pole and extending lifespan of the flag

Light-weight

Quick and easy setup: simply slide onto telescopic poles

Comes standard with a forged ground spike that allows for maximum movement and reduces wear. Also comes standard with a manageable over-the-shoulder carrier bag.

SIZE:

XS:	1.45m (h) x 0.45m (w)
S:	2.3m (h) x 0.65m (w)
M:	3.3m (h) x 0.65m (w)
L:	4.3m (h) x 0.65m (w)
XL:	5.3m (h) x 0.65m (w)

CHAMPION Banners

STYLE:

A refreshing shape in flag banners that has been designed to get maximum wind movement while enabling you to maximise your branding. The unique shape allows for a high impact branding area, and is kept under tension at all times, therefore extending the Champion flags lifespan.

BENEFITS:

Brilliant print quality

Weather resistant

High wind load

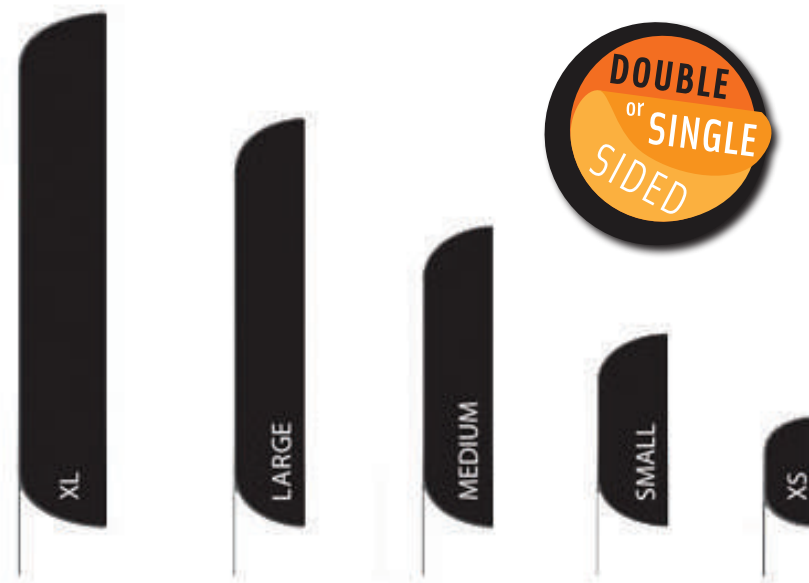

Top and bottom tension maintained, preventing flag wrapping around pole and extending lifespan of the flag

Light-weight

Quick and easy setup: simply slide onto telescopic poles

SIZE:

XS:	1.45m (h) x 0.45m (w)
S:	2.3m (h) x 0.65m (w)
M:	3.3m (h) x 0.65m (w)
L:	4.3m (h) x 0.65m (w)
XL:	5.3m (h) x 0.80m (w)

Pavilions Banners

STYLE:

The Pavilion Flag is a fresh update to traditional and common tear-drop shapes with larger branding area than it's competitors without any loss of tension through the fabric.

BENEFITS:

Brilliant print quality

Weather resistant

High wind load

Top and bottom tension maintained, preventing flag wrapping around pole and extending lifespan of the flag

Light-weight

Quick and easy setup: simply slide onto telescopic poles

SIZE:

XS: 0.75m (h) x 0.30m (w)

S: 2m (h) x 1m (w)

M: 3m (h) x 1.3m (w)

L: 4m (h) x 1.5m (w)

DOLPHINS Banners

STYLE:

The Dolphin Flag is an effective combination of the rectangular Double Tension shape and the Champion shape. It retains the tension features that are the hallmark of our quality branding systems.

BENEFITS:

Brilliant print quality

Weather resistant

High wind load

Top and bottom tension maintained, preventing flag wrapping around pole and extending lifespan of the flag

Light-weight

Quick and easy setup: simply slide onto telescopic poles

SIZE:

XS:	1.45m (h) x 0.45m (w)
S:	2.3m (h) x 0.65m (w)
M:	3.6m (h) x 0.65m (w)
L:	4.3m (h) x 0.65m (w)
XL:	5.3m (h) x 0.80m (w)

MULTI-VIEW Banner

STYLE:

The Multi-view Flag is a development to cater for extended brand impact. The advantage of this new patented flag is a much larger advertising space in conjunction with an extraordinary new form – visible from 3 sides. Simply slide the clips of the extra panel into the top and bottom of the Double Tension flag to attach.

BENEFITS:

Downwind branding impact
Changeable promotional message
Multi-message opportunities
Extended visual impact

SIZE:

XS: 1m (h) x 45cm (w) / 20cm front view
S: 1.8m (h) x 65cm (w) / 20cm front view
M: 2.8m (h) x 65cm (w) / 20cm front view

TOBBLO Banners

STYLE:

An ingenious a-frame banner that, now fully sprung, pops up and folds down in seconds. The Tobblo is developed to enable maximum branding onto a rectangle as opposed to awkward oval shapes. Come standard with ground pegs and sand filter pock-its which are sewn in to ensure stability in all weather conditions and terrain. Also supplied with a manageable over shoulder carrier bag.

BENEFITS:

Downwind branding impact
Extended visual impact
Brilliant print quality
Weather resistant

SIZE:

micro:	40cm (w) x 10cm (h)
mini:	65cm (w) x 1m (h)
xs:	1.3m (w) x 1m (h)
m:	2m (w) x 1m (h)
L:	2.7m (w) x 1m (h)
XL:	4.5m (w) x 1m (h)
XXL:	6m (w) x 1m (h)

Banner walls

STYLE:

Our high-impact Banner Wall displays are a complete folding lattice system with a tensioned banner - all packed into a manageable bag. The lightweight aluminium structure is easy to open and fold away again. The fabric banner is attached using double-velcro straps and fastened by metal tenterhooks - creating a wrinkle-free backdrop. Interchangeability, ease of use and large sizes make this product perfect for indoor Presentations.

BENEFITS:

Custom made

Exclusive treated fabrics

Brilliant colours and graphics

Latest fabric printing and technology and top quality inks

UV resistant

Weatherproof

Washable

Colourfast

Lightweight

Portable

Carry bag included

SIZE:

S: 2.25m (h) x 2.25m (w)

m: 2.25m (h) x 3m (w)

L: 2.25m (h) x 4.5m (w)

2.8m (h) x 0.75 m (w)

OVERHEAD CYLINDRICAL'S:

Var - 2.5m (h) x Var - 2.7m (w)

GAZEBO'S

STYLE:

Our versatile, affordable Gazebos/Portable Shelters are suited to all indoor and outdoor events and promotions. Through their compact and convenient packaging, they are easy to transport and to set up. The use of high grade aluminium guarantees an exceptionally long life. Because of the sophisticated folding systems, the Gazebos are erected and dismantled within minutes, without the need for any tools.

The Gazebo roof comes in a variety of bold shades. The roof, as well as the optional side panels can be branded according to your requirements.

BENEFITS:

Side panels – half or full walls

Made from top-quality materials

World-class printing technology and inks

Versatility

Easily transported

SIZE:

S:	3m (h) x 3m (w)
m:	3m (h) x 4.5m (w)
L:	3m (h) x 6m (w)

STARPOINTS

STYLE:

The best way to set up your brand's area at an event is with a Starpoint.
The fabric canopy - with your branding printed on to it - simple to use, and to stand the test of time.

BENEFITS:

Original
Very eye catching
Good visible printing

BOULEVARD BANNER

STYLE:

Boulevard Banners liven up your city's street lamp posts and make the city yours. Boulevard Banners are also known as Street Pole Banners or Street Pole Flags.

These durable banners made to be mounted on a conventional lamp post and offer a highly visible outdoor advertising display.

Street pole banners can be custom made and we supply elbows and rods or eyelets and shock cord. These banners are ideal for branding - main roads - shipping districts - business parks - exhibition centres - trade shows and campuses.

BENEFITS

Quality seams and workmanship

Exclusive treated fabrics

UV resistant

Weatherproof

Brilliant colours and graphics

Latest fabric printing technology

Washable,

Lightweight and Portable

SIZE:

On request.

BUNTING

STYLE:

Triangular and pennant bunting offer you another branding tool and add a festive atmosphere to any event. Bunting is a string of colourful triangular or rectangular fabric flags which are hung or draped and can be used for indoor and outdoor advertising.

BENEFITS:

Quick eye-catching advertising banners

Quality seams and workmanship

Exclusive treated fabrics

Brilliant colours and graphics

Latest fabric printing technology

Washable

Colourfast

Lightweight and portable

Draw string bag included

SIZE:

The standard size is 300mm (h) x 300mm (w) flags per metre

Bunting can be single or double sided

CAFE BARRIERS

STYLE:

The Cafe Barrier offers both branding and a practical barrier for dividing up space; separating restaurant eating areas or for queue control. The double-sided 1m or 2m barriers can be seen from both sides and joined together they can make a branded barrier of any length.

The branded sleeve simply slips over the frame and can be secured with cord through the eyelets on the bottom seam

BENEFITS

Easily interchangeable skins

The banner has a neat, tight finish

A touch pvc top piece protects the banner from the sun

The banner is printed in full colour

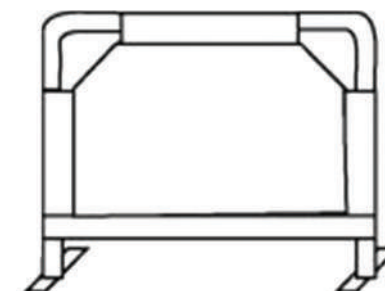

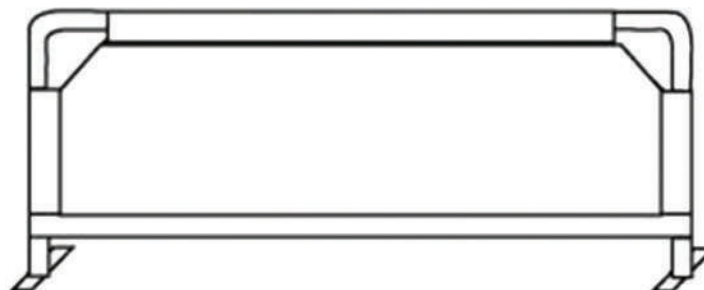

Latest printing technology and quality inks

Quick set up

SIZE:

2.5m (h) x 1.5m (w)

2.2m (w) x 1.2m (h)

EVENT BINS

STYLE:

The event bin is made of polyether knit fabric with a fibreglass frame, which collapses in 10 seconds. Event Bins can be used at indoor and outdoor events e.g. marathons, triathlons, cycling races, golf days, fun days, exhibitions and trade shows.

BENEFITS:

Dual purpose of advertising and storage

Portable

Durable

Quick set up

Twist and open

Simple folding mechanism

The bin is supplied with 1 PVC bin liner

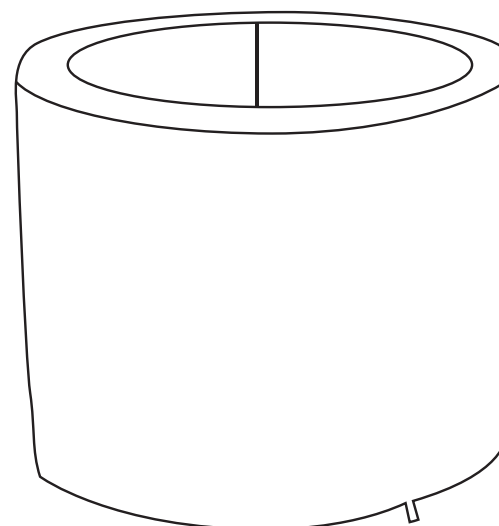

Weatherproof

Colourfast

Can be staked down in windy conditions

SIZE:

770mm (h) x 810mm (w)

FENCE BANNERS

STYLE:

Fence Banners are made of airtex fabric (polyester with small holes in it) to accommodate the wind. Fence Banners are also known as Banner Mesh, Endless Banners and Fence Wrap.

We make endless banners from 1m x 50m. Longer banners can be made too (these will have a seam in them). These banners are made in a choice of fabrics and are suitable for indoor and outdoor advertising signage. Fence banners have PVC reinforcing the edges with eyelets. Rope is supplied for banner hanging.

BENEFITS:

- Latest fabric printing technology
- Top quality inks for eye-catching branding
- Quality seams and workmanship
- Exclusive treated fabrics
- UV resistant
- Weatherproof
- Washable
- Colourfast
- Lightweight and portable

SIZE:

- Up to 1.700m (w)
- Up to 50m (l) (Longer if Joined)

HANGING BANNERS

STYLE:

A hanging banner has pockets with poles through the top and bottom. These are also known as drop banners.

The banners are supplied with eyelets and rope or rods and finials. These banners can be used for indoor and outdoor advertising. If used indoors they can be suspended from a ceiling or used as a back wall (great in a trade show display).

BENEFITS:

- Custom made
- Exclusive treated fabrics
- Brilliant colours and graphics
- Latest fabric printing and technology
- Top quality inks
- UV resistant
- Weatherproof
- Washable
- Colourfast
- Lightweight
- Portable

SIZE:

Can be customized to your needs

POSTER BOARDS

STYLE:

The Poster Board is a heavy-duty double sided snap frame sign for displaying fabric posters. The snap frame makes changing your branding or marketing message quick and simple.

These fabric printed posters are weatherproof and water resistant which gives them great benefits over traditional paper posters.

The poster Boards have easy front loading, aluminium snap frames. The wheeled moulded base can be filled with sand or water to weight it down but can also be easily moved from one location to another.

BENEFITS:

Photo quality digitally printed poster

Lightweight and easy to transport

Waterproof

Unlike paper, fabric will not tear in transit

Indoor and outdoor use

Double sided

Easy front loading system

SIZE:

0.835m (h) x 0.59m (w)

TABLE CLOTHS

STYLE:

Complete your corporate look and add another professional touch to your trade show display or indoor or outdoor event by using a branded table cloth.

SIZE:

Can be customize to your needs

1.8m (w) x 0.7m (h) with 700mm drop standard size

SNAPPER FRAMES

STYLE:

Fabric posters can be used in a snapper frame as a longer lasting and better quality alternative to paper posters. These are a quick and easy way to display branding indoors.

BENEFITS:

Printed fabric posters look great in snap frames

Excellent print quality

SIZE:

Can be customize to your needs

OUTDOOR DISCS

STYLE:

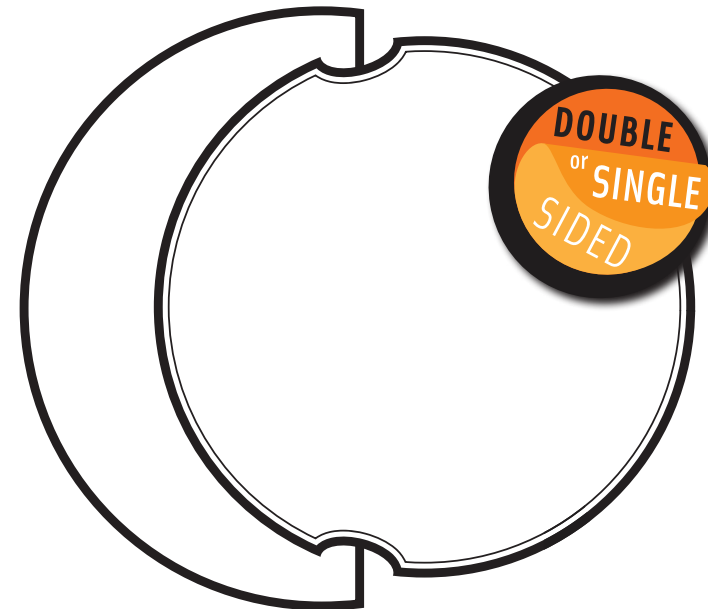

Making use of EX-Disc Banners is a good way of giving your brand 360° exposure at an event. It offers the practicality of the Boulevard Banner with the flexibility of a Flying Banner. This provides for almost limitless configuration options.

BENEFITS

- Easy to transport
- Durable
- Weather resistant
- Crystal clear colour graphics
- 2 Sided
- Easily changeable
- Distinctive look
- Retains colour

SIZE:

1m (h) x 1m (w)

GOLF PIN FLAGS

STYLE:

Besides our popular range of branded advertising banners and gazebos, golf pin flags are another way to add your corporate id to a golf day. Whether you are sponsoring a hole, a Golf Pin flag is perfect way to get your brand seen at a golf day. We supply the flag with an aluminium tube to fit over the pole already on the green. We are also able to supply the flag pole as an optional extra.

BENEFITS:

Buy the flag or the complete unit - pin flag and pole

Quick and easy to set up

Exclusive treated fabrics

UV resistant

Weatherproof

Brilliant colours and graphics

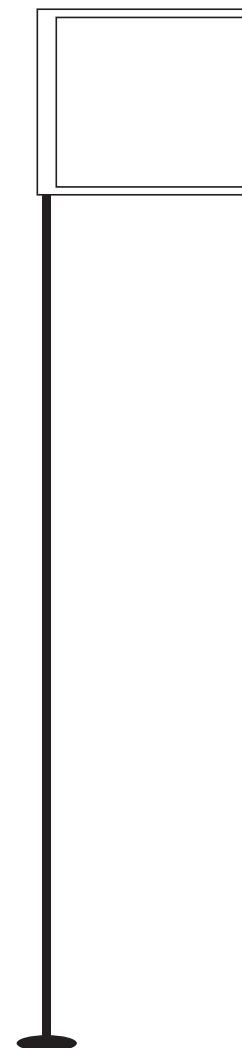

Washable

Colourfast

Draw string bag included

SIZE:

0.35m (h) x 2.2m (w)

TEE DISCS

STYLE:

The clever design our Tee Disc banner ensures maximum visibility but it is small enough so as not to encroach on the players' game. These are ideal for use on tee boxes.

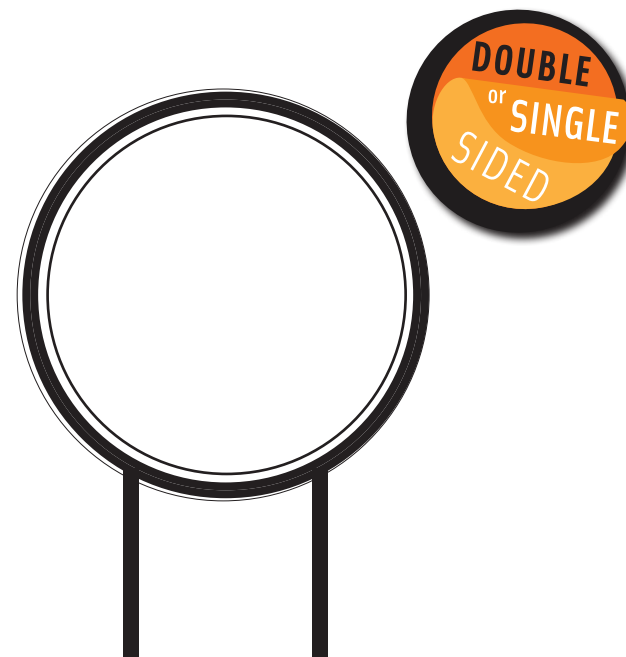

These portable banners can be used to brand one hole or the whole course. They are quick to set up and take down and add a finishing touch to the branding on a sponsored hole. These banners are ideal for branding "Longest Drive" or Closest to the Pin" competitions.

BENEFITS:

- Eye catching shape
- Unobtrusive advertising banner
- UV resistant
- Weatherproof
- Brilliant colours and graphics
- Lightweight and portable
- Draw string bag included

SIZE:

0.086m (h) x 0.54m (w)

HEALTHY CHILDREN ARE HAPPY CHILDREN

Children's bodies are developing rapidly and it is vital that they receive the key nutrients for the proper growth and functioning of their cells. Research shows that children with good nutrition have higher IQ's, stronger immune systems, and are less hyperactive.

GNLDC Nutritional are whole food extracts and contain no cane sugar, preservatives or artificial colourants.

GNLDC BUSINESS

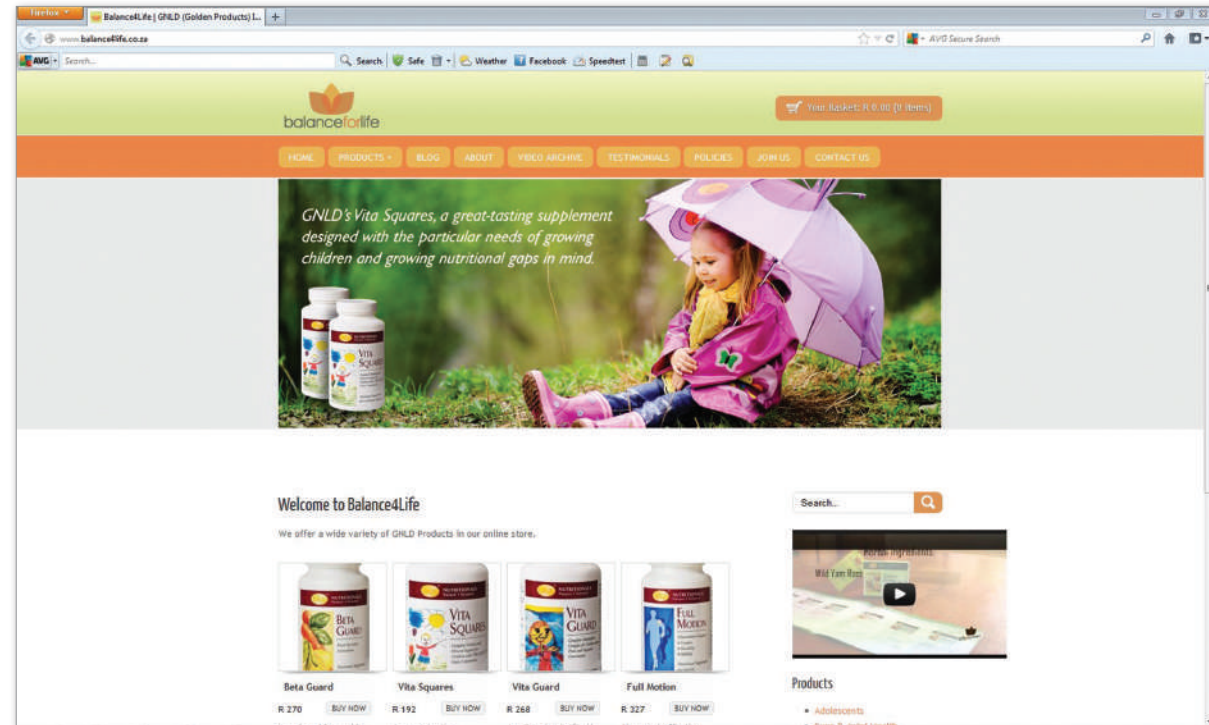

Customers' bodies are developing rapidly and it is vital that they receive the key nutrients for the proper growth and functioning of their cells. Research shows that children with good nutrition have higher IQ's, stronger immune systems, and are less hyperactive.

GNLDC Nutritional are whole food extracts and contain no cane sugar, preservatives or artificial colourants.

GNLDC'S CHEWABLE VITA SQUARES
Contain Ten-en grain extracts and a broad spectrum of vitamins, minerals and trace elements.

GNLDC'S CHEWABLE VITA GUARD
Provides whole food and essential protection.

YOU WANT A CLEAN ENVIRONMENT, NATURE NEEDS A PROTECTED ONE!

GNLDC has been at the forefront of earth-friendly cleaners since the 1960's. GNLDC helped to clean 25 000 oil-soaked penguins in the largest wildlife rescue operation in history in Cape Town. The products are 100% biodegradable, with no toxic fumes and no harsh chemicals.

SAVE money while using household cleaning products which are SAFE for your family, your pets and the environment.
